RE: 2022-23 Outreach

Thank you for your contributions in the past toward the Kiwanis Foundation of Montana's Outreach program. The dollars you have contributed have been used to build strong Service Leader Programs (SLP) across Montana.

As we approach a new Kiwanis fiscal year beginning October 1st, we would ask that as your club develops its budget, that you include a contribution to the annual Outreach Program. The dollars you provide to help our SLP's programs continue to build strong leaders into the future. Following is a brief breakdown of the suggested amounts, and where your dollars go.

The funds received for the items listed above are passed directly to the Montana District of Kiwanis to be used to subsidize the budgets of these four quality programs, helping cover travel and related expenses of the youth organization officers as they carry out official business of the Montana District Sponsored Youth Programs.
